Benefitting....

Pets for Vets was founded with both the Veteran and the animal in mind.

Pets for Vets is a 501(c)(3) nonprofit organization in the United States dedicated to providing a second chance to shelter dogs by rescuing, training, and matching them with American veterans who could benefit from having a companion pet. It was founded in 2009 to help veterans transition back to civilian life after their time in service.

Donations are Tax Deductible
